WINTER/SPRING 2011

Enjoying Islip Beach on a mild winter's day.

Summer Camp Information and Registration Forms Are In This Issue!

A Message from the Supervisor

On behalf of the Islip Town Board, I am pleased to provide you with our Winter/Spring *Recreation News*. Inside these pages you will find programs for every member of your family at prices you can afford.

To kick off the season, we are once again presenting a gala winter festival filled with activities for children and adults. This year, our annual *Winter by the Bay* celebration will take place at the Ronkonkoma Recreation Center, 299 Rosevale Avenue, which overlooks scenic Lake Ronkonkoma. This free event includes ice-skating, sledding, horse and buggy rides and fireworks. The event will be held from noon to 8 p.m. from December 26 through 29 and on January 1 and 2.

Winter is the perfect time to try some of our many indoor activities. Whether you are a sports enthusiast or prefer exciting cultural events, Islip Town offers a wide variety of programs to suit your needs. Our Open Gym Basketball program at Town Hall West is perfect for adults who enjoy competition, while classes in yoga, T'ai Chi and Zumba encourage residents to stay in shape through exercise. Those who want a change of pace can join one of our many trips to Broadway to see the latest hits or to popular historic destinations in the Tri-State area. If you and your family want to get out of the house and enjoy winter scenery at its most beautiful, our unique South Shore Nature Center is open for tours and educational activities in a picture-perfect setting.

Although winter is just beginning, it is not too early to think about summer. *Recreation News* includes information about all our summer camps and describes our early registration policies and procedures. Islip offers dozens of camps geared to every child's interest, and they fill up quickly – so don't miss out on these affordable programs.

Your Town Board and I believe that high-quality, low-cost recreation programs are the key to maintaining the quality of life in Islip Town. We look forward to serving you and your family this winter – and all year round.

Very Truly Yours,

Phil Nolan
Islip Town Supervisor

Supervisor Phil Nolan and the Islip Town Board invite everyone to come celebrate the holiday season with them at the Town of Islip's 3rd Annual *Winter by the Bay* with spectacular views of Ronkonkoma Lake. There will be **Ice Skating, Horse and Buggy Rides, Snowman-Making contests, Fireworks, Fireside Lounge** and more. Sponsored by Cablevision, The Rinx and Brightwaters Farms.

28 Irina Nuzova – The history and evolution of the Prelude and Fugue genre

Ms. Nuzova uses Bach's model as a point of departure and continues onto Shostakovich's Preludes and Fugues, which were composed to commemorate Bach's 200th anniversary of death. The third composer, Alfred Schnittke, structurally based his Prelude and Fugue on Bach's model, but utilized the 12-tone system invented at the beginning of the 20th century by Schoenberg.

APRIL

17 Alexander String Quartet

**Zakarias Grafilo, violin; Frederick Lifszitz, violin;
Paul Yarbrough, viola; Sandy Wilson, cello**

The Alexander String Quartet has performed in major music capitals of five continents, securing its standing among the world's premier ensembles. Widely admired for its interpretations of Beethoven, Mozart, and Shostakovich, the quartet established itself as an important advocate of new music through over 25 commissions and numerous premiere performances. New York Times wrote, *The intimacy of the music came through with enhanced power and poignancy in the Alexander quartet's vibrant, probing, assured and aptly volatile performances.... Seldom have these anguished, playful, ironic and masterly works seemed so profoundly personal.*

LECTURE SERIES

Woman In Art, Art by Women – Luncheon and Lecture by Joyce Beckenstein

From Raphael's chaste images of Mary to Norman Rockwell's tidy matrons beaming over apple pie, from medieval depictions of Eve as temptress to Willem de Kooning's blatantly sexual, nasty *Women* – for 500 years – men created the female image in art. Only in the last four decades have women artists been able to make a living without the help of a male mentor, usually a husband or lover. And, not until 1971 did the standard college art bible, *A History of Art* by H.W. Janson, make mention of a single woman artist.

This slide-illustrated PowerPoint presentation explores this lopsided world of women in art through the cultural lens of a man-centered universe. With special emphasis on those rare women artists who eclipsed their mentors – Artemisia Gentileschi in the 17th century, Frida Kahlo in the 20th century, this talk culminates with the feminist revolution of the '60's; how it began to change perceptions of women and create a new role for women artists.

Note: Joyce Beckenstein is an art historian, arts writer and founder and director, The North Fork Arts Project.

Date: Thursday, March 10 Time: 12 noon

Fee: \$20, luncheon and lecture; \$15, members.

Seating is limited to 30.

KEEP ISLIP CLEAN

There are many diverse communities throughout the 18 hamlets of Islip Township, but one thing they all have in common is the KIC volunteers who work to keep their neighborhoods clean, beautiful and litter-free.

There are a number of opportunities for people who want to join the hundreds who already pitch in for litter cleanups, recycling projects, Earth Day programs and other community service projects.

The year begins with a unique sneaker recycling event called the NIKE-Reuse-A-Shoe project. Residents are encouraged to collect used sneakers throughout January and drop them off at the KIC office, 660 Main Street in Islip, by the end of the month. The sneakers are sorted, packed and shipped to NIKE, which recycles the material into run-

ning tracks. Volunteers can also pitch in by helping to sort and pack the sneakers, which is just as important a task as collecting them.

The Great American Cleanup (GAC) is another very popular upcoming volunteer program. School children, scouting troops, community groups, families and many others participate in litter cleanups and beautification projects throughout Earth Month April. Last year, the GAC boasted nearly 90 separate events, with about 2,500 people participating.

In addition to the NIKE and GAC projects, Keep Islip Clean sponsors many more initiatives, from the long term commitment of the Adopt-A-Highway/Spot program to individual students completing their community service requirements.

For more information on how you can find the volunteer opportunity that best matches your interests, please call the KIC office at 224-2627.

UNITED STATES COAST GUARD AUXILIARY SAFE BOATING COURSE

Islip Town is proud to have several auxiliary units of the United States Coast Guard within the Town. These auxiliaries offer safe-boating courses for the public which are highly recommended for any boat owner, young or old. These courses are excellent ways to learn the "rules of the road" for the first time, or take as a refresher course. Special courses are offered for young boaters.

All courses include topics such as boat handling, rules of the road, safety equipment, navigation and other related topics. Upon satisfactory completion, participants receive a certificate which may qualify them for reduced boat insurance premiums.

For further information, class dates and times call your local Flotilla:

FLOTILLA 1-3 OF ISLIP	589-1927 OR 581-4220
FLOTILLA 1-5 OF BAY SHORE	499-2149
FLOTILLA 1-7 OF SAYVILLE	588-9498 OR 567-6173

SAFETY TIPS

PEOPLE COME IN MANY SIZES – and so do life jackets (also called Personal Flotation Devices). From the newest infant to the oldest senior citizen, there are Coast Guard approved personal flotation devices to meet every need. When going boating, be sure to have an approved personal flotation device of the correct size for each person on board. The Coast Guard Auxiliary reminds boaters, "it's the LAW... and it's good advice!"

QUICK START LEAGUE

*presented by
Long Island Foundation for Education and Sports
in conjunction with the USTA*

It is a whole NEW GAME! The QUICK START Tennis League is a new play format. The Quick Start league helps children 12 and under to learn and play the game of tennis. To make it easier for them, we changed a few things: the court size, racquet size, balls, the scoring system and even the net height. Now any child between the ages of 5 and 12 can start playing tennis almost immediately – even if they've never picked up a racquet before. All children will join a team, get a team shirt – everyone gets a prize – and we have tennis racquets for you to use! Each class includes a skill lesson and match play. All equipment is provided by the Long Island Foundation For Education and Sports.

SUMMER QUICK START TENNIS CAMP
